NIGHT MOVES 15

=NEW ALBUM=

Dear

Mark

A mini 'Night Moves' this time as we wanted to up-date you on the tour and album situations.

The album "LIVE AND LET LIVE" is released on FRIDAY JANUARY 27th on "MUSIC FOR NATIONS" Records catalogue No: MFN18.

The deal was concluded early in January and we are all very pleased with it. Look out for the ads in 'Sounds' and 'Kerrang' (last week of January). To be fair to the Record Company, we will not be doing the album by mail order for a while as it should be readily available from your local shop. (Where possible, please buy it from a "chart" shop ... the reason being self-explanatory ...)

The price should be between £4.49 and £4.99 - and if they don't have it in stock, it can be ordered via Pinnacle Distribution by quoting the catalogue number.

= NATIONAL TOUR =

The tour dates are coming in thick and fast and some have been printed in recent music papers, but overleaf is the complete list as of now, please remember however, to check before leaving, as sometimes things may alter e.g FRI JAN 27 - is Bedford College - Polehill Site (Chatham now 10th FEB - see 'Night Moves 14').

So far, 1984 has been excellent for us, with the concluding of the MFN deal, tour and ... Brian has some new drums (Tama Superstar), Clive has 2 new guitars (Shergold 4 string Bass and a Shergold 6 string Lead) and Andy Sears has a new tambourine, so we're all very pleased!

The next 'Night Moves' should include the reviews of "Live and let Live" and possibly a 'Sounds' feature - as we are doing an interview with Phill Bell, which is scheduled for February publication - and if we can get him to write it 'Rick's Biography'! As you'll see, while we're on tour, the lovely Amanda will be answering your letters - so keep in touch.

Best wishes to you all, and we look forward to seeing you.

Amanda
